

Offord Primary School – Home Learning

At Offord Primary School, we believe that home learning should be purposeful and meaningful, supporting children to consolidate and deepen their learning beyond the classroom.

Homework is designed to reinforce key skills and knowledge taught in school, helping children to develop independence, confidence, and positive learning habits.

We also strongly believe in the importance of daily reading. Regular reading at home plays a vital role in helping children become fluent, confident, and enthusiastic readers, supporting both their academic progress and enjoyment of books.

Parents should support their children by encouraging a positive attitude towards learning at home

By working together, we aim to create a strong partnership between home and school that supports every child to succeed.

EYFS	Reading Read Write Inc Book Parent led story time (School library book) Seesaw tasks set by teacher	10 minutes daily Daily Occasionally 10 minutes
